

APPLYING FOR A DECRA **WORKSHOP**

Join us for a 2-hour session about demystifying the process of applying for an ARC DECRA. Hear from successful DECRA Fellows in biological anthropology, and a previous member of the ARC College of Experts, about their experience and advice. Practise designing and pitching your own project.

This workshop is designed for ASHB members who are within five years (including career interruptions) of the conferral date of their PhD. PhD students in their final year of program are also encouraged to participate.

Monday 18 October 2021 3-5pm AEDT

REGISTER [here](#) | JOIN ASHB [here](#)

Panel speakers:

A/Professor Alison Behie, Professor Robert Brooks, Dr Justyna Miskiewicz, Dr Eline Schotsmans, Dr Anna Willis
